

Hall Cemetery

Conditions of Entry

The Authority seeks your cooperation to maintain a safe and peaceful environment for all. We also seek your cooperation in maintaining Canberra's cemeteries in a neat and tidy manner.

- *Plants may not be planted without prior approval from Cemetery Management*
- *Potted plants are not allowed*
- *Nothing may be attached to a monument unless approved by Cemetery Management*
- *Additional objects and containers, particularly those made of glass, metal or crockery are not allowed*
- *Items that do not comply with the regulations, or which are considered hazardous may be removed without notice*
- *Dogs must be kept on a lead at all times*
- *The erection and maintenance of any monument must be carried out by an approved tradesperson and only after the issue of a permit from Cemetery Management*
- *Prior to commencing work, tradespersons must register their presence and location of work with Cemetery Management*

Please contact the office for further information.
