

Babies Rose Garden

Available at Woden and Gungahlin Cemeteries, Babies Rose Garden allotments are designated areas for babies born before 20 weeks gestation. Families may memorialise their child with a plaque placed on the rock wall which borders the rose garden.

Prior to interment, Canberra Memorial Parks requires the completion of an Application for Exclusive Right of Allotment and an Application for Burial, as well as a copy of the medical certificate. An interment can take place seven days of the week.

A memorial plaque is included in the cost of an allotment. A plaque application form will be issued post-burial. Please note that in the interim period between the burial and the plaque being installed, a temporary grave marker will be provided.

Canberra Memorial Parks discourages any placement of personal, valuable or sentimental items on the site.
