

## Lawn Allotment

Available at Woden Cemetery, a lawn allotment is a lawn grave, with memorialisation by way of a chrome or bronze plaque installed on a raised concrete block at the head of the grave.

Interments can take place seven days of the week. Graves are dug to double depth. Most graves can be dug to triple depth, which incurs an additional fee.

A memorial plaque, cement base with vase, and raised concrete block are included in the cost of the allotment. An upgrade to a raised granite block can be purchased for an additional fee.

Documentation will be issued post-burial and will include a plaque application form.

In the interim period between the burial and memorialisation, a temporary grave marker will be provided.

Although fresh flowers are permitted at the grave, Canberra Memorial Parks discourages any placement of personal, valuable or sentimental items on the site.
