

## Liquidambar Lane

Available at Woden Cemetery, a Liquidambar Lane allotment is an ashes grave which is comprised of a granite receptacle, sealed with the memorial plaque.

The memorial plaque is included in the allotment fees. In accordance with Canberra Memorial Parks policy, only one set of ashes can be interred in each Liquidambar Lane allotment.

Prior to interment, Canberra Memorial Parks requires the completion of an Application for Exclusive Right of Allotment and an Application for Burial, as well as a copy of the Cremation Certificate.

The memorial plaque must also be made in advance of the interment as it will be used to seal the receptacle once the ashes have been placed inside.

Interments can take place Monday to Friday between the hours of 9:00am and 3:30pm.

Fresh flowers only are permitted at the site.

Canberra Memorial Parks discourages any placement of personal, valuable or sentimental items in the area.
