

Christ the Redeemer Mausoleum

Located at Woden Cemetery, Christ the Redeemer is a unique mausoleum surrounded by large, noble trees.

The mausoleum comprises secure internal and external burial crypts and a dedicated chapel area.

Mausoleum Crypts

Interment options include family vaults, double crypts, single crypts and columbarium niches.

Interment crypts include an inscription, ceramic photo, bronze vase and eternal light.

Columbarium Niches

Columbarium niches are for interment of cremated remains (ashes) and are available for purchase.

Canberra Memorial Parks offer glass-fronted niches with an etched inscription by way of memorial. Family members can place photos and mementos behind the glass along with the urn.

Also available are marble panelled niches which include an inscription and ceramic photo.

A range of packages to suit different tastes and budgets are available and enquiries are welcome.
